

PRODUCT CODE:
LM000

STATUTE

LARX

DEVICE DATA

PROJECTION AND VIEW OF THE DEVICE

Additional playground equipment

Compliance with the PN-EN standard: 1176-1:2024-03

Number of users : not applicable

Age group : not applicable

Width : 0.50 m

Length : 0.13 m

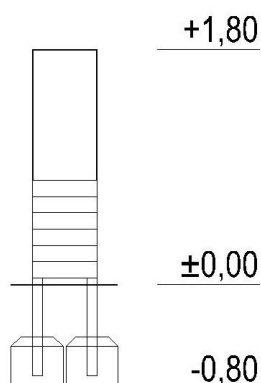

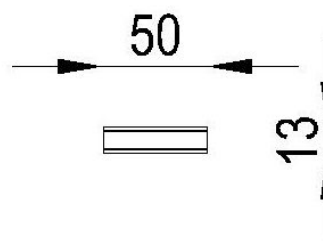

Height : 1.80 m

Minimum space required : 0.50 x 0.13 m

Free fall height : not applicable

Fall area area : not applicable

Foundation depth : 0.80 m

COMPONENTS

Supporting structure: 1 set

Regulation board: 1 pc.

TECHNOLOGY

Construction: galvanized steel profiles, covered with larch boards

Base plate : foamed PVC, plate dimensions 50×100 cm

Sticker : laminated foil

End caps: plastic

Foundations: concrete class C 12/15 minimum
