# OM OS

COR-TEN.DK tilbyder eksklusive produkter til det Skandinaviske marked. Vore produkter er designet i samarbejde med CortenaDesign, som udvikler eksklusive produkter ud fra kundernes ønske til såvel design som funktionalitet.

Alle produkter er inspirerede af et naturligt look med et strejf af avantgarde og vil pryde enhver balkon, terrasse, have, park, boligforening samt offentligt sted. Vores produkter er udført i høj kvalitet med sans for det æstetiske og egner sig til såvel det private marked som til det offentlige.

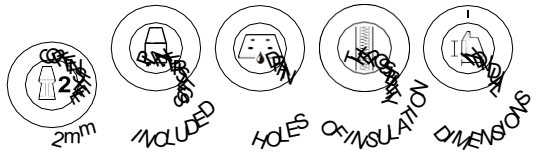

Vi henvender os til såvel arkitekter, landskabsarkitekter, indretningsarkitekter samt til den offentlige sektor. Vores fokus er funktionalitet og tidsløst design.

Vore produkter er målrettet kunder, som værdsætter høj kvalitet og klassisk design.

# PANELER

A photograph of a garden bed. The main area is filled with grey gravel, bordered by a rusted metal edging. In the top left corner, there is a rectangular inset filled with white gravel. In the background, there are green plants. The word "KANTER" is written in large, black, sans-serif capital letters across the white gravel inset.

**KANTER**
